Dr. George Klein
Institute for Cell Research
Karolinska Institutet
Stockholm 60, Sweden

Dear George:

Thank you for yours of the 27th.

The McArdle Institute would be quite pleased if you would visit Madison to give them a lecture-- I have mentioned June 26 to them as the most likely date, and hope you can concur. I gave the title, on your behalf, "Variations in Clones of tumor cells", but you can revise or replace this as you choose.

Are these arrangements satisfactory?

You can save us 10% on your fare by using the enclosed tax form, or alternatively by purchasing your ticket in Sweden.

Yours sincerely,

Joshua Lederberg
